California Department of Public Health (CDPH)

- MHCC received a total of [23,929 \(+247\)](#) resource requests and a total of [41,676 \(+285\)](#) inquiries from public citizens, local health jurisdictions, and healthcare facilities. The number of inquiries listed is a total of the Maximus Call Center and MHCC inquiry counts combined. The public phone number for incoming inquiries is 833-422-4255.
- CHCQ will be participating in the reformed Multi-Agency Coordination (MAC) Group.
- CDPH continues to conduct the following conference calls to provide updates on COVID-19. Notes for these calls are regularly distributed via CAHAN as they become available:
 - A conference call for local health departments every other Thursday at 1300 hours.
 - A conference call for California healthcare facilities every Tuesday at 0800 hours.
 - A webinar on infection prevention for SNFs every Wednesday at 1500 hours.
 - A conference call for SNFs every Thursday at 1200 hours.

Guidance

- On October 11, 2021, CDPH released All Facilities Letter number 21-08.5, [Guidance on Quarantine for Health Care Personnel \(HCP\) Exposed to SARS-CoV-2 and Return to Work for HCP with COVID-19 via CAHAN](#). This revision includes guidance on return to work for HCP diagnosed with COVID-19, including strategies to mitigate HCP staffing shortages. This revision also includes updated Centers for Disease Control and Prevention guidance on returning to work during critical staffing shortage.
- On October 5, 2021, CDPH released All Facility Letter number 20-30.6, [Suspension of Regulatory Enforcement of Specified Primary Care Clinics and Mobile Health Care Units via California Health Alert Network \(CAHAN\)](#). This revision clarifies that for any clinics conducting COVID-19 vaccinations, treatment, and/or testing, the waiver is extended until December 31, 2021.
- The following guidances have been updated and/or posted to the CDPH webpage:
 - [Ventilation, Filtration, and Air Quality in Indoor Environments](#).
- CDPH released the following All Facilities Letter (AFL) via CAHAN:
 - [AFL number 21-08.5, Guidance on Quarantine for Health Care Personnel \(HCP\) Exposed to SARS-CoV-2 and Return to Work for HCP with COVID-19](#)
 - [AFL number 20-30.6, Suspension of Regulatory Enforcement of Specified Primary Care Clinics and Mobile Health Care Units](#)

Emergency Medical Services Authority (EMSA)

- EMSA continues to provide CAL-MAT and contract staffing to support hospitals in the Central Valley. [The expected end date is November 14, 2021.](#)
- EMSA continues to provide medical equipment (ventilators and associated equipment, including oxygen support) to medical facilities as needed.
- EMSA continues to provide medical screening and vaccination support at the Kearny Mesa and Four Points Resource and Testing Centers in San Diego County.
 - EMSA continues to support the Hub Ambulatory Care Center (HACC) located at the Kearny Mesa Ramada site.
- EMSA continues to provide medical first aid, screening, and vaccination support at the non-congregate shelter (NCS) and Testing, Vaccination, and Resource Center Hub (TVRCH) in Imperial County.

Situation Report – For Official Use Only

Coronavirus Disease 2019 (COVID-19)

Report Date:

10/12/2021

Report Time:

1700

County Reports

Contra Costa

- Starting November 1, 2021, workers at these businesses must be fully vaccinated or test weekly starting. If worker is not fully vaccinated, a negative COVID 19 test results received in the past 3 days will be accepted.

San Francisco

- As of **October 8**, 2021, there are 15 reported outbreaks of COVID-19 in congregate living facilities.
- Mayor London Breed issued a Mayoral Order mandating vaccination for all City contractors who work alongside City employees on a regular basis at a facility owned, leased, or controlled by the City. This mandate will also apply to all City Commissioners. All contractors will be required to be fully vaccinated by December 31, 2021. Contractors may grant exemptions for employees based on qualifying medical reasons or religious beliefs consistent with the City Worker Mandate.
- Beginning October 15, 2021, masking requirements in San Francisco will be eased for limited settings with 100% full vaccination if COVID-19 case and hospitalization rates remain stable or decline.

Situation Report – For Official Use Only

Coronavirus Disease 2019 (COVID-19)

Report Date:

10/12/2021

Report Time:

1700

- Municipal Transportation Agency (MTA) will continue to require masking in vehicles in accordance with the federal masking mandate for public transit, which are required through January 18, 2022. The October 15, 2021 easing of mask requirements will not apply to public transit.

Sierra

- All schools closed to in-person learning based on COVID case count being unmanageable in students and staff. Plan to return to person learning October 15, 2021.

Tehama

- Tehama County Health Services Agency (TCHSA) Public Health is administering outreach material to communities and populations in Tehama County that are disproportionately burdened by the pandemic. Attempting to target the Latino population in Tehama County and currently working with Nexus Bustos Radio to put out informative COVID-related radio ads that will include clinic and Logistics Health Incorporated (LHI) information.

Yolo

- Revised health officer order to go out this week, requiring indoor masking of all vaccination status.

Yuba

- Yuba County is working with the state Disease Investigation Team for Case Investigation and Contact Tracing staffing. Sutter County is working with extra-hire help Case Investigation and Contact Tracing staffing from PHI.
- Vaccination clinics in partnership with Curative ended in September 30, 2021.
